

## INDEX TO VOLUME 47

- A**
- ABBOTT, OSLER A.:** Abnormal esophageal communications: their types, diagnosis, and therapy (ab), Aug., 197
- and KENAU de OLIVEIRA, H.:** Spontaneous pneumothoraces occurring in patients undergoing peroral endoscopy (ab), Oct., 422
- ABDOMEN**  
See also Aorta; Gastro-Intestinal Tract; Peritoneum; and names of organs  
—abdominal lymphogranulomatosis (ab), Lloyd F. Craver and Julian B. Herrmann, Dec., 628  
—gas formation in abdominal abscesses: roentgen study, H. Stephen Weens, Aug., 107
- roentgenography**  
—pitfalls in localizing intestinal obstruction with scout film (ab), George Vash, Karl J. Myers and Hu C. Myers, Dec., 629  
—scout film, Joseph Levitin, July, 10
- tumors**  
—symmetrical renal rotation about the vertical axis (produced by retroperitoneal tumors): case, Benjamin R. Van Zaluwenburg and Lucien M. Pasucci, Sept., 287
- ABESHOUSE, BENJAMIN S.:** Thrombosis and thrombophlebitis of the renal veins (ab), Sept., 314
- de ABKEU, MANOEL:** The bearers of shadows (ab), Oct., 421
- ABSCCESS**  
See also Abdomen; Bones; Lungs; Mediastinum  
**perinephric**  
—pyelographic sign in diagnosis (ab), Douglas T. Prehn, Nov., 544
- ACHONDROPLASIA**  
—hereditary achondroplasia in the rabbit. I. Physical appearance and general features (ab), Wade H. Brown and Louise Pearce, Aug., 211  
—hereditary achondroplasia in the rabbit. II. Pathologic aspects (ab), Louise Pearce and Wade H. Brown, Aug., 211  
—hereditary achondroplasia in the rabbit. III. Genetic aspects: general considerations (ab), Louise Pearce and Wade H. Brown, Aug., 211
- ACID**  
**citric**  
—management of postoperative choledocholithiasis. Another use for solation G (ab), Benjamin Goldman, James Jackman and Richard H. Eastman, Sept., 309
- folie.**  
See Vitamins, B
- ACROSCLEROSIS**  
—esophageal lesions associated with acrosclerosis and scleroderma (ab), Arthur M. Olsen, Paul A. O'Leary and B. R. Kirklin, Sept., 308
- ACTINODERMATITIS**  
—subtotal replacement of skin of face for actinodermatitis due to roentgen therapy: with multiple areas of squamous cell carcinoma (ab), Hilger P. Jenkins, Nov., 548
- ACTINOMYCOSIS**  
—actinomycotic granuloma of stomach (ab), Clarence C. Fuller and Harold Wood, Oct., 423
- ADAMANTINOMA.** See Tumors, adamantinoma
- ADAMS, RALPH.** See WHITE, JAMES C.
- ADENOIDS**  
—roentgenography, Harry L. Weitz, July, 66
- ADENOMA.** See Tumors, adenoma
- ADOLESCENCE**  
—intra-articular osteochondral fractures as cause for internal derangement of the knee in adolescents (ab), Paul H. Harmon, Aug., 203
- AEROTITIS.** See Ears
- AIMARD, J.:** Case of brucellosis cured by teleroentgen therapy (ab), Nov., 548
- AINHUM**  
—ainhum (dactylolysis spontanea): report of 2 cases from Illinois (ab), Arkell M. Vaughn, John W. Howser, and George Shropshire, Sept., 312
- ALBERS-SCHÖNBERG DISEASE.** See Osteosclerosis fragilis
- ALEXANDER, HANNS:** "Tuberculous" bronchitis (ab), Nov., 530
- ALIMENTARY TRACT.** See Digestive System
- ALKAPTONURIA.** See Urine
- ALPERS, BERNARD J., and FORSTER, FRANCIS M.:** Arteriovenous aneurysm of great cerebral vein and arteries of circle of Willis. Formation by junction of the great cerebral vein and the straight sinus and by the choroidal arteries and anomalous branches of the posterior cerebral arteries (ab), Sept., 314
- ALTEMEIER, W. A., and REINEKE, H. G.:** Roentgenographic interpretation of acute hematogenous osteomyelitis treated with penicillin (ab), Sept., 310
- AMEBIASIS**  
—radiological aspect of amebic colitis (ab), J. J. Vallarino, July, 93
- AMERICAN COLLEGE OF RADIOLOGY,** Sept., 298
- AMPULLA OF VATER.** See Vater's Ampulla
- ANDERSON, MARGARET.** See GREEN, WILLIAM T.
- ANEMIA**  
—Gaucher's disease: early radiological diagnosis (ab), William Tennent, Sept., 311
- possible effectiveness of the L. casei factor ("folic acid") concentrates on refractory anemia and leukopenia, with particular reference to leukopenia following radiation therapy (ab), C. J. Watson, W. H. Sebrell, J. L. McKelvey, and F. S. Daft, Sept., 317
- ANESTHESIA**  
—roentgenological study of male sacrum as an aid in caudal analgesia (ab), Percival A. Robin and Vincent J. Collins, Oct., 427
- ANEURYSM**  
**aortic**  
—significance of calcification for roentgen diagnosis of aneurysm of abdominal aorta, Edmund W. Klinefelter, Dec., 597
- arteriovenous.** See also Aneurysm, cerebral  
—aneurysms of scalp and face (ab), Walter E. Dandy, Nov., 529
- cerebral**  
—arteriovenous aneurysm of great cerebral vein and arteries of circle of Willis. Formation by junction of great cerebral vein and the straight sinus and by choroidal arteries and anomalous branches of posterior cerebral arteries (ab), Bernard J. Alpers and Francis M. Forster, Sept., 314  
—prognosis of subarachnoid hemorrhage and its relation to long term management (ab), George A. Wolf, Jr., Helen Goodell, and Harold G. Wolf, Oct., 419
- ANGIOCARDIOGRAPHY.** See Cardiovascular System
- ANGIOGRAPHY.** See Brain, blood supply
- ANGIOMA.** See Tumors, angioma
- ANKLE**  
—post-traumatic para-articular calcifications and ossifications (ab), Arnold D. Platt, Aug., 204
- ANSPACH, BROOKE M.:** A review of the problem of cancer of the cervix since the use of radium in 1912 (ab), Oct., 432
- ANUS**  
—pruritus ani: clinical study (ab), Arthur L. Shapiro and Stephen Rothman, July, 105
- AORTA**  
**aneurysm.** See Aneurysm
- roentgenography**  
—retrograde abdominal aortography: contribution to the study of the abdominal aorta and iliac arteries, Pedro L. Fariñas, Oct., 344  
—retrograde arteriography in study of abdominal aorta and iliac arteries (ab), Pedro L. Fariñas, July, 98  
—terminal aortography in obliterative arteritis (ab), Bonte, Vandecastelle, and Desruelle, Nov., 544
- APPARATUS.** See Roentgen Rays, apparatus
- APPENDIX**  
—appendicitis with a massive peristaltic movement of the colon. (Case examined by barium meal and by enema) (ab), J. A. Mathez, Nov., 536
- ARACHNODACTYLIA**  
—arachnodactyly—unusual complication following skull injury (ab), Wilmot F. Schneider, Oct., 427
- ARCHER, M. C., and FOX, K. W.:** Osteopoiikiosis: report of two cases, Sept., 279
- ARDUINO, LINO J.:** Case of pyelitis and cystitis cystica (ab), Dec., 630
- ARIAS BELLINI, M.:** Osteohydatidosis: its radiological features, Dec., 569
- ARMS**  
—congenital malformations of first thoracic rib: cause of brachial neuralgia which simulates the cervical rib syndrome (ab), James C. White, M. H. Poppel, and Ralph Adams, Nov., 537
- ARMY.** See Military Medicine; Recruits
- ARONOVITCH, MICHAEL, and VINEBERG, ARTHUR M.:** Two cases of anterior mediastinal abscess (ab), Sept., 306
- ARTERIES**  
See also Aneurysm; Cardiovascular System; Embolism  
—terminal aortography in obliterative arteritis (ab), Bonte, Vandecastelle, and Desruelle, Nov., 544
- coronary**  
—attempt at roentgenologic visualization of coronary blood vessels in man (ab), Stig Radner, Oct., 430  
—gallbladder dye (iodophthalein sodium). Effect of intravenous injections on coronary flow, blood pressure and blood coagulation (ab), Florence E. Lawson, July, 93
- iliac**  
—retrograde abdominal aortography: contribution to the study of the abdominal aorta and iliac arteries, Pedro L. Fariñas, Oct., 344  
—retrograde arteriography in study of abdominal aorta and iliac arteries (ab), Pedro L. Fariñas, July, 98
- subclavian**  
—anomalous right subclavian artery (ab), Benjamin Copleman, July, 89
- ARTHRITIS**  
See also Spine  
**syphilitic**  
—congenital syphilis of bones and joints (ab), Arthur Steindler, July, 95

- ARTHRITIS, syphilitic—cont.**  
—roentgen picture of tabetic arthropathies and affections of bones (ab), P. Flemming Møller, Oct., 424
- tuberculous**  
—differential diagnosis of tuberculosis in joints of extremities (ab), Raymond W. Lewis, Aug., 201
- ARTHRODESIS.** See Astragalus
- ARTHROTOMY.** See Knee
- ASCARIASIS**  
—roentgen diagnosis of ascariasis in alimentary tract, D. C. Weir, Sept., 284
- ASK-UPMARK, ERIK:** Tumour-simulating intrathoracic heterotopia of bone marrow (ab), Aug., 196
- ASPERGILLOSIS**  
—primary bronchopulmonary aspergillosis, an occupational disease (ab), George C. Coe, July, 86
- ASTRAGALUS**  
—aseptic necrosis of astragalus following arthrodesing procedures of tarsus (ab), Frederick M. Marek and Albert J. Schein, Aug., 204
- ATLAS AND AXIS**  
—congenital absence of odontoid process: case (ab), Raymond C. Scannell, Aug., 205
- ATROPHY**  
—hemiatrophy of body in adult life (ab), Norman Reider and Glen S. Player, Nov., 539
- AVERY, JOHN W., and WARREN, J. W.:** An unusual case of Hodgkin's disease. Second report (ab), Aug., 208
- AVIATION AND AVIATORS**  
—irradiation of eustachian tube. Anatomic, physical, and clinical study of a treatment for recurrent otitis media applied to aero-otitis (ab), Edmund P. Fowler, Jr., Nov., 548
- use of radium in aerotitis control program of the Army Air Forces. Combined report by officers participating (ab), Nov., 547
- B**
- BACKACHE**  
—backache (ab), Henry W. Meyerding and Forrest L. Flashman, Nov., 541
- BACLESSE, F.:** Some remarks on giant-cell tumors and their treatment by radiotherapy considered over a long period (ab), Aug., 208
- BACTERIA**  
—action of radiations on viruses and bacteria (ab), D. E. Lea, Nov., 550
- BADER, ELLIS R. (obit).** Oct., 406
- BAGGENSTOSS, ARCHIE H.** See **BAYLEY, E. C.**
- BARGEN, J. ARNOLD.** See **de CASTRO BARBOSA, JORGE**
- BARIIUM**  
—entrapment of barium paste in piriform sinuses. Sign of paralysis of the glossopharyngeal nerve (ab), P. Marqués, Aug., 194
- BARNER, JOHN L.:** Teratoma of the testis: report of sixty-five cases (ab), July, 103
- See **HAMILTON, JOHN B.**
- BARNWELL, COLUMBUS H.** See **DELL, JAMES M., Jr.**
- BARTLETT, CHARLES J.** See **CHERNOFF, HYMAN M.**
- BARTON, GEORGE R.** See **GRIFFIN, WILLIAM D.**
- BAUER, GUNAR:** Observations on the technique of phlebography (ab), Oct., 430
- BAYLEY, E. C., LINDBERG, D. O. N., and BAGGENSTOSS, ARCHIE H.:** Loeffler's syndrome. Report of case with pathologic examination of the lungs (ab), Sept., 306
- BEGG, A. C.:** Calcification of the left auricle. Report of case (ab), Nov., 533
- BEHRENS, CHARLES F., HILLEBOE, HERMAN E., LONG, HAROLD F. A., and YERUSHALMY, J.:** Evaluation of the comparative efficiency of various methods of mass radiography (ab), Aug., 194
- BEINHAEUER, LAWRENCE G.** See **FREEDMAN, LESTER M. J.**
- BELL, H. GLENN.** See **LOW-BEER, BERTRAM V. A.**
- BENDITT, EARL P.** See **RICKETTS, WILLIAM E.**
- BENEVENTI, FRANCIS A.:** Asymptomatic pyuria in young men (ab), July, 97
- BERGER, MEYER D.:** Neoplasms of both maxillary sinuses (ab), Sept., 305
- BERK, MORRIS:** Cardio-esophageal relaxation (ab), Aug., 197
- BERMAN, WILLIAM:** Congenital absence of the sacrum and coccyx complicating pregnancy (ab), Sept., 314
- BERNE, CLARENCE J.** See **COLE, HAROLD A.**
- BERNSTEIN, PHINEAS:** Value of salpingography in surgical diagnosis (ab), Sept., 313
- BERYLLIUM**  
—poisoning (ab), H. S. Van Ordstrand, Robert Hughes, J. M. De Nardi, and Morris G. Carmody, Oct., 422
- BETA RAYS.** See Radium
- BILE DUCTS**  
See also Biliary Tract  
—management of postoperative choledocholithiasis. Another use for solution G (ab), Benjamin Goldman, James Jackman, and Richard H. Eastman, Sept., 309
- BILIARY TRACT**  
See also Bile Ducts; Gallbladder; Liver  
—dynamics of biliary drainage: its relation to cholangitis and pancreatitis from stricture of ampulla of Vater (ab), John M. McGowan, Aug., 200
- roentgenography**  
—new sign in extrahepatic biliary tract disease, Samuel Brown and Forest G. Harper, Sept., 239
- BINKS, W.:** Protective methods in radiology (ab), Nov., 550
- BIOPSIES.** See Uterus, cancer
- BISGARD, J. DEWEY, and ROBERTSON, GEORGE E.:** Congenital evagination of the diaphragm. Surgical management (ab), Aug., 199
- BISHOP, PAUL A.:** Roentgenological visualization of the placenta (ab), Nov., 543
- Roentgenological visualization of the sacral hiatus during late pregnancy (ab), Nov., 543
- BLADDER**  
—pyelitis and cystitis cystica; case (ab), Lino J. Arduino, Dec., 630
- schistosomiasis: report of 2 cases in Maine (ab), Clinton N. Peters, Roderick L. Huntress, and Joseph E. Porter, July, 97
- calculi**  
—roentgenologic differentiation between hypertrophy of the prostate and vesical uroliths (ab), Axel Renander, July, 97
- cancer**  
—indications for roentgen therapy of carcinoma. Recognition of suitable cases (ab), Franz Buschke and Simeon T. Cantril, Nov., 546
- skeletal and pulmonary metastases from cancer of kidney, prostate and bladder (ab), Jacob R. Freid, Dec., 629
- treatment (ab), Rolf Weyde, Oct., 431
- BLANTON, H. WALLACE:** Observations on Loeffler's syndrome: report of four cases (ab), Sept., 305
- BLATTNER, RUSSELL J., and SUNG, CHIEH:** Cystic tuberculosis of the bone in a case of military tuberculosis (ab), Oct., 425
- BLINDNESS**  
—employment of persons with defective vision as darkroom technicians (ed), Ellwood W. Godfrey, Dec., 619
- BLOOD.** See Anemia; Hemopoietic System; Leukemia
- BLOOD PRESSURE**  
—gallbladder dye (iodophthalain sodium). Effect of intravenous injections on coronary flow, blood pressure, and blood coagulation (ab), Florence E. Lawson, July, 93
- BLOOD VESSELS.** See Arteries; Cardiovascular System; Venae Cavae
- BOAG, J. W.** See **CLARKSON, J. R.**
- BOBROWITZ, I. D., and DWOREK, RALPH E.:** Early diagnosis of minimal pulmonary tuberculosis (ab), Nov., 531
- BODY**  
—hemiatrophy of body in adult life (ab), Norman Reider and Glen S. Player, Nov., 539
- BOGEN, EMIL, and STRICKLAND, G. H.:** Tuberculosis in a tropical naval hospital (ab), Oct., 421
- BOHARAS, S., and CRIEP, LEO H.:** Interlobar effusion associated with congestive heart failure (ab), July, 87
- BOLAND, EDWARD W., and PRESENT, ARTHUR J.:** Rheumatoid spondylitis: a study of one hundred cases, with special reference to diagnostic criteria (ab), Sept., 311
- and **SHEBESTA, EMIL M.:** Rheumatoid spondylitis: correlation of clinical and roentgenographic features, Dec., 551
- BONES**  
See also Arthritis; Osteomyelitis; and under names of bones and joints  
—bone changes of leukemia in children, Bernard S. Kalayjian, Peter A. Herbut, and Lowell A. Erf, Sept., 223
- x-ray diffraction studies on fish bones (ab), George C. Henny and Mona Spiegel-Adolf, Aug., 212
- abscess**  
—Brodie's abscess: 2 cases (ab), James W. Downey and Harold E. Simon, Aug., 202
- cancer**  
—metastases and neoplastic dissemination involving osseous system in cancer of cervix (ab), Bonte and Schaffner, July, 94
- skeletal and pulmonary metastases from cancer of kidney, prostate and bladder (ab), Jacob R. Freid, Dec., 629
- cysts.** See Bones, diseases; Bones, tuberculosis; Osteitis fibrosa
- diseases**  
—contribution to radiologic study of the deficiency osteopathies: syndrome of Milkman-Debray-Looser (ab), F. Lepenietier, E. Gilbrin, M. Godefroy, and R. Tricot, Nov., 538
- fibrous dysplasia—a "cystic" lesion of bone (ab), Herbert M. Stauffer and Patrick J. Fitzgerald, Aug., 202
- Gaucher's disease: early radiological diagnosis (ab), William Tennent, Sept., 311
- pathogenesis of localized fibrous lesions in metaphyses of long bones (ab), C. Howard Hatcher, Oct., 426
- echinococcosis**  
—osteohydatidosis: its radiological features, M. Arias Bellini, Dec., 569
- fragility**  
—rickets and infantile scurvy occurring in case of osteogenesis imperfecta (ab), Ralph S. Bromer, Nov., 537
- growth**  
—in congenital myxedema. Use of serial roentgenograms of os radius in diagnosis and regulation of therapy during infancy (ab), Paul V. Woolley, Jr., and Robert W. McCammon, July, 94
- mutational dysostosis (cleidocranial dysostosis) (ab), A. B. Soule, Jr., Nov., 539
- normal development of ossific centres during infancy and childhood: clinical, roentgenologic, and statistical study (ab), Olle Eigenmark, Nov., 536

**BONES—cont.**

**marrow**  
—tumor-simulating intrathoracic heterotopia of bone marrow (ab), Erik Ask-Upmark, Aug., 196

**syphilis**

—congenital syphilis of bones and joints (ab), Arthur Steindler, July, 95

**tuberculosis**

—cystic tuberculosis of bone in case of miliary tuberculosis (ab), Russell J. Blattner and Chieh Sung, Oct., 425

**tumors**

—eosinophilic granuloma, C. C. Dundon, H. A. Williams, and T. C. Laipply, Nov., 433

—eosinophilic granuloma (ab), Paul Michael and Nathan C. Norcross, Aug., 209

—eosinophilic granuloma. Report of case (ab), J. O. Mercer, Nov., 540

—eosinophilic granuloma: report of case with preoperative roentgen diagnosis, Patrick Riley, Nov., 514

—osseous manifestations of eosinophilic granuloma: report of 9 cases, John B. Hamilton, John L. Barner, Putnam C. Kennedy, and James J. McCort, Nov., 445

—osteoid osteoma (ab), J. F. Hamilton, Sept., 310

—polymorphous-cell sarcoma, the malignant phase of giant-follicle lymphoma, with generalized skeletal involvement and multiple pathological fractures; case (ab), William E. Kenney, Aug., 203

—sarcoma complicating Paget's disease of bone (ab), Thomas J. Summey and C. Lowry Pressly, Nov., 540

**BONNET, WILLIAM L.:** Chest x-ray in wartime industrial examinations (ab), July, 85

Roentgen findings in erythema nodosum, Aug., 175

**BONTE and SCHAFFNER:** Metastases and neoplastic dissemination involving the osseous system in cancer of the cervix (ab), July, 94

—**VANDECASTELLE, and DESRUELLE:** Terminal aortography in obliterative arteritis (ab), Nov., 544

**BOOK REVIEWS**

**Benda, Clemens E.** Mongolism and Cretinism. A Study of the Clinical Manifestations and the General Pathology of Pituitary and Thyroid Deficiency, Dec., 622

**Ducuing, J.** Le fibro-myome utérin, Nov., 524

**Olsson, Olle.** Die Urographie bei der Nierentuberkulose. Röntgendiagnostische Untersuchungen, Oct., 414

**Pillmore, George Utley, editor.** Clinical Radiology, a Correlation of Clinical and Roentgenological Findings, Oct., 413

**Rigler, Leo G.** The Chest. A Handbook of Roentgen Diagnosis, Dec., 621

**Sproull, Wayne T.** X-Rays in Practice, Oct., 414

**Steindler, Arthur, with Marxer, John Louis.** The Traumatic Deformities and Disabilities of the Upper Extremity, Sept., 299

**Van Pée, P.** Précis de radiodiagnostic, Nov., 524

**Waters, Charles A., Firor, Whitmer B., Kaplan, Ira I., and Rubenfeld, Sidney, editors.** The 1946 Year Book of Radiology, July, 1945-June, 1946, Dec., 621

**BOOKS RECEIVED (not reviewed)**

**Ehrenpreis, Theodor.** Megacolon in the Newborn. Clinical and Roentgenological Study with Special Regard to the Pathogenesis, Supplementum 112 to Acta chirurgica Scandinavica, Vol. 94, Nov., 523

**Journal of the History of Medicine and Allied Sciences, Vol. I, No. 1, January 1946, Sept., 299**

**Ross, John A.** A Handbook of Radiography, Dec., 621

**Saww, William.** Principles in Roentgen Study of the Chest, Dec., 621

**BOONE, BERT R.** See **HENNY, GEORGE C.**

**BORAK, J.:** Significance of sacroiliac findings in Marie-Strümpell's spondylitis, Aug., 128

**BOROS, EDWIN:** Carcinoma of the esophagus. Survey of 332 cases (ab), July, 100

**BOUSLOG, JOHN S.,** honored, Nov., 523

**BOVARD, PAUL G.** See **RITTER, WAYNE L.**

**BOYD, R. W.:** Results of a random chest x-ray survey of healthy troops in Canada (ab), Nov., 532

**BRACHIAL NEURALGIA.** See **Neuralgia**

**BRAIN**

See also **Meninges; Pituitary Body**

—so-called fifth and sixth cerebral ventricle: clinical and roentgenographic study and case report (ab), S. J. Silberman, Sept., 304

**blood supply.** See also **Aneurysm**

—angiographic diagnosis of expanding intracranial lesions by vascular displacement, Carl F. List and Fred J. Hodges, Oct., 319

—intracranial angiography. I. Diagnosis of vascular lesions (ab), Carl F. List and Fred J. Hodges, Nov., 529

—vasokymography in research for demonstration of vascular flow (ab), M. Zehnder, Nov., 544

**roentgenography**

—endolumbar pneumoencephalography, simplified (a note on its advantages) (ab), Joseph H. Globus and John L. Simon, Aug., 194

**tumors.** See also **Corpus Callosum**

—angiographic diagnosis of expanding intracranial lesions by vascular displacement, Carl F. List and Fred J. Hodges, Oct., 319

**wounds and injuries**

—early pneumoencephalographic findings following penetrating wounds, J. E. Lofstrom, J. E. Webster, and R. C. Schneider, July, 1

**BRANNON, EMMETT S., WEENS, H. STEPHEN, and WARREN, JAMES V.:** Atrial septal defect. Studies of hemodynamics by the technique of right heart catheterization (ab), Aug., 197

**BREAST****cancer**
